 Tablets - How many:      
  Linux - How many:   
 Other - Explain:      
  Chrome OS - How many:

### ORGANIZATION DESCRIPTION

1) Describe how the YEP program fits into your mandate of your organization.

*We want to know how YEP fits into your objectives of your services. Do you operate programs for young people and/or adults and/or seniors?*

2) Explain why you want to have this program at your organization.

*We want to know why YEP is a good fit for your community. Are there lots of immigrants, youth, and/or seniors in your community? Explain your commitment, passion and/or dedication to serving your community. What impact are you hoping to achieve?*

3) What are some of the main achievements of your organization (e.g. "Last year, we had a leadership program that served over 30 youth").

*Don't tell us general information about your organization. We will look at your website (if you have one) along with this Letter of Intent. We want to know what you consider to be your best achievements and your success stories. Tell us something that you are proud at.*

#### OUTREACH METHODS

4) How will you inform **youth** about this program? Check all boxes that apply.

- We will ask parents to bring their children into the program
- We have access to youth through or own programming, and we will inform them about YEP
- We will post flyers around the community
- We will host presentations in our area
- We are active on social media and will use our social media channels to promote the program
- We will partner with other community groups/agencies to get their support to inform youth
- "Other methods" Explain:

5) How will you inform **adults/seniors** about this program? Check all boxes that apply.

- We will ask children/youth to bring their parents/relatives into the program
- We have access to adults/seniors through or own programming, and we will inform them about YEP
- We will post flyers around the community
- We will host presentations in our area
- We are active on social media and will use our social media channels to promote the program
- We will partner with other community groups/agencies to get their support to inform adults/seniors
- "Other methods" Explain:

## PROGRAM DELIVERY

6) How many total participants do you envision having in your Pilot Program? #

*Class sizes vary considerably, and often depend on an organization's capacity and comfort level. Class sizes typically range from 6 (3 youth & 3 adults/seniors) to 20 (10 youth & 10 adults/seniors).*

7) Describe any challenges you envision when working with intergenerational groups.

*Have you delivered programs for different age groups before? Describe any successes or challenges. If you have not had an intergenerational program before, what challenges do you foresee.*

I submit this Letter of Intent on behalf of our organization to Youth Empowering Parents (YEP) with the objective of conducting a YEP program for a period of 6 weeks in 2017 with a approximately #\_\_\_\_\_ youths and #\_\_\_\_\_ adults/seniors (fill the blanks with numbers). I understand that this is **not an application for a Grant**. I understand that, if this Letter of Intent is shortlisted, I will be contacted by YEP to complete a Grant application.
